PROFESSIONAL SUMMARY

Kate Amber MSc is the creator and developer of The Quicksand Model® of Coercive Control, a framework grounded in peer-reviewed research that equips professionals and systems to identify, assess, and respond to coercive control with precision and confidence. As a trainer, speaker, consultant, and expert witness with more than 150 cases across 36 U.S. states, federal courts, and four countries, she brings a rare combination of scholarly rigor and courtroom experience to the field. Through End Coercive Control USA (ECCUSA), Kate provides expert witness testimony, forensic assessment, professional training, and applied research in service of making the invisible visible.

SUMMARY OF EXPERTISE

Creator and Developer of The Quicksand Model® of Coercive Control
Trainer, Speaker, Consultant and Researcher in Coercive Control
Expert Witness and Forensic Assessor

Experience includes consultation, assessment and/or expert witness testimony in more than 150 civil, criminal and/or family court cases across 36 U.S. states, federal courts, and four countries internationally: Australia, Canada, New Zealand, and the United Kingdom.

Areas of Expertise

- Coercive Control and Undue Influence
- Domestic Violence and Domestic Abuse
- Cults and Extremist Groups
- Danger Assessment and Homicide Timeline
- Trauma and Recovery
- Adverse Childhood Experiences and Child Protection
- Deception and Denial
- Leadership and Change Management

PEER-REVIEWED PUBLICATIONS

Amber, K., & Dubrow-Marshall, R. (2026). An investigation into the efficacy of the PsychoSocial Quicksand Model™ and its utility for transforming systems. *International Journal of Coercion, Abuse, and Manipulation, 37*. https://doi.org/10.54208/1000/0009/003

Baker, A. J. L., Brassard, M., Chandler-Ofuya, N., Kagan, J., Fischman, T. K., Amber, K., & Marsh, A. (2025). User comments to parents engaging in psychologically maltreating behaviors on TikTok: Implications for child protection. *Journal of Public Child Welfare*, 1–24. https://doi.org/10.1080/15548732.2025.2544131

Baker, A. J. L., Brassard, M. R., Fischman, T. K., Amber, K., Chandler-Ofuya, N., & Marsh, A. N. (2025). Growing up online. *Child Welfare, 103*(3), 95–124. https://www.jstor.org/stable/10.2307/48850404

DISSERTATION

Amber, K. (2022). *A mixed-methods investigation into the PsychoSocial Quicksand Model™ of Coercive Control*. Dissertation awarded With Distinction, University of Salford.

BOOKS

Amber, K. (forthcoming, 2027). *Entrapped: Detecting coercive control with The Quicksand Model®* [Working title].

ASSESSMENT INSTRUMENTS CO-DEVELOPED

Coercive Control-Adapted Analysis of Patterns of Denial (CCAPOD), original instrument. Tomasic, J. F., Amber, K., Dubrow-Marshall, L., & Dubrow-Marshall, R. (2025). An exploratory forensic extension of the Analysis of Patterns of Denial (APOD) designed to identify coercive control related denial themes in perpetrator narratives. Instrument subsequently refined and empirically tested in Tomasic (2026).

Coercive Control Scale Individual – 12 (CCSI-12). Dubrow-Marshall, R., Dubrow-Marshall, L., Amber, K., & Aebi-Mytton, J. (2022).

Coercive Control Scale Group – 12 (CCSG-12). Dubrow-Marshall, R., Dubrow-Marshall, L., Amber, K., & Aebi-Mytton, J. (2022).

DEGREES AND CERTIFICATIONS

- Cornell University / Professional Certificate in Change Management / 2026
- National Training Center on Crimes Against Women / Advanced Motivational Interviewing / 2025
- APOD Institute / Certification in the Analysis of Patterns of Denial / 2025

COERCIVE CONTROL RESEARCH AND PROFESSIONAL ACTIVITIES

- Independent Rater, Doctoral Study of Denial Patterns in Intimate Partner Femicide, Alliant University, 2025-2026. Served as one of two formally trained raters. Completed certified APOD training and a calibration exercise prior to coding, then independently coded 48 publicly available police interrogation recordings of individuals convicted of intimate partner femicide, comprising over 77 hours of video content, without consultation on case-specific coding decisions. Study published as Tomasic (2026).
- SHERA Research Group, 2025-2026
- Psychological Maltreatment Alliance Research Committee, 2024-2025
- Research Associate, University of Salford, 2023-2026
- International Cultic Studies Association Research Network, 2022-2026
- Creator and Developer of The Quicksand Model® of Coercive Control, 2021

Referenced research:

Tomasic, J. F. (2026). *Structured patterns of denial in coercive control: An exploratory forensic adaptation of the Analysis of Patterns of Denial (APOD) in femicide perpetrators* [Doctoral dissertation, Alliant University]. ProQuest Dissertations and Theses.
